

## POSTER PREPARATION

1. The title should be the same as in the submitted abstract.
2. Lettering for the title should be large (at least 70-point font). Use all capital letters for the title.
3. The size of the poster must be 4' (Vertical Dimension) × 3' (Horizontal Dimension).
4. Text should be readable from five feet away. Use a minimum font size of 18 points.
5. Make sure that the text and the visuals are integrated. Figures should be numbered consecutively according to the order in which they are first mentioned in the text.
6. Make sure that you present sufficient data to support your conclusions.
7. Printing on separate small sheets and pinning together is not recommended.
8. Make sure that it has a logical flow.
9. Use colors, graphics, charts, and photos.
10. Posters should be handed in to the registration desk as early as possible.
